The Queens Hall

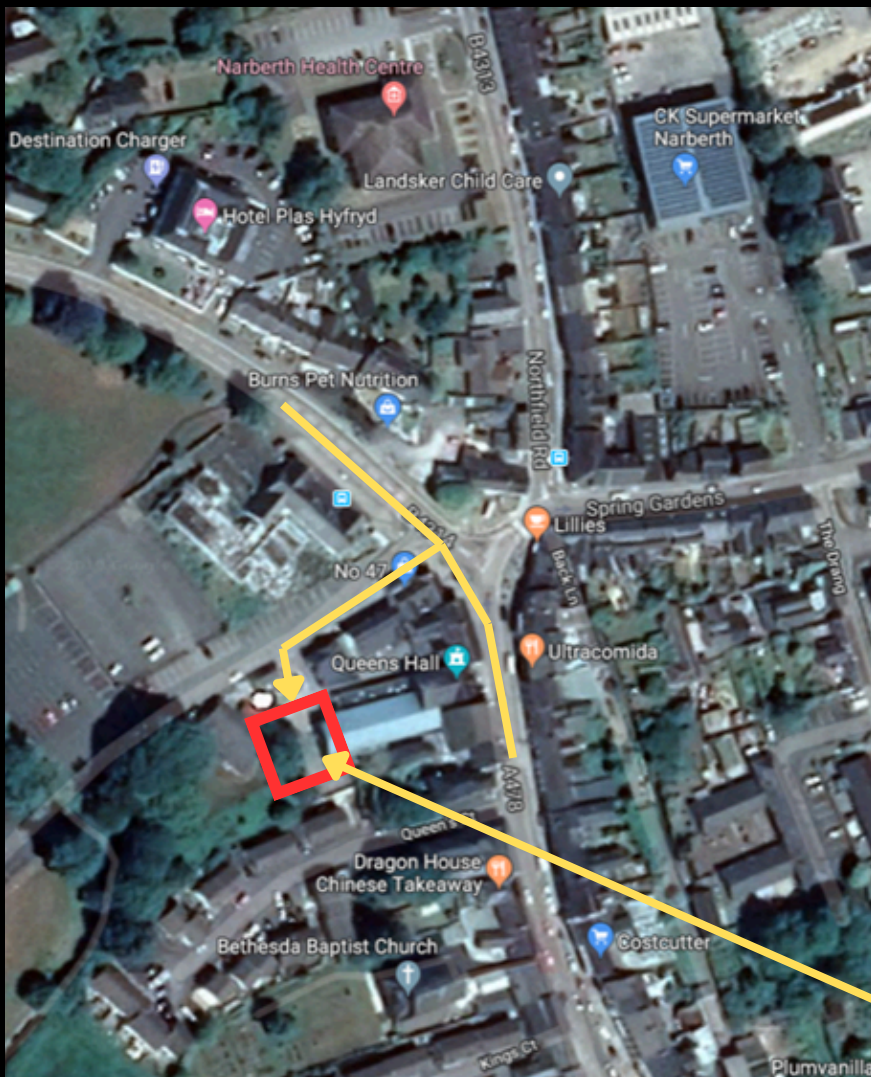

EST. 1958

LOAD IN

Loading and unloading is done via the rear doors (through the Main Hall). There are no stairs so loading in is easy

Parking: [///clapper.blast.museum](http://clapper.blast.museum)

Front door: [///torso.dusty.impulse](http://torso.dusty.impulse)

Stage doors/back doors are accessed via the Queens Hall car park

To access the car park, either;

Come in from the B4314 and turn right into the council car park, then the QH car park entrance is on your left

Or follow the one-way system A478 around the town, past the front door on your left then bear left, and left again. The QH car park entrance is on your left

If you drive past the public toilets into the council car park, you have gone too far

QH Parking
